ASHWIN S I

CSE student at St. Joseph's Institute of Technology with strong web development skills in HTML, CSS, and JavaScript. Experienced through online internships, I excel at turning designs into responsive web interfaces. Passionate about front-end development and eager to contribute to innovative projects while continuing to grow my skills.

Educational

St. Joseph's Institute of Technology

2023 - 2027
B.E CSE
CGPA - 9.1 /10
